1960

TO THE CLASS OF 1960, the Present is fundamentally important. We realize, however, that we are rapidly travelling into the immediate future. The future for us is graduation, another college degree, employment, or service to our country. The years to come have a different connotation: greater esteem as a fully accredited junior college, and a challenging period of development on a new campus. Thus, to the Present we say farewell; to the Future we dedicate these TOWER TALES.

For what is today but a vision, will tomorrow, be a reality.

The new campus . . . to it
we impart the responsibility
of future generations.

As the present gives way to the future,
the old must concede to the new.

Freshmen—First in war

Although the division between Present and Future is so minute, the Present is vividly in focus.

ACTIVITIES OF THE COLLEGE TRUSTEES

The 1959-1960 year has seen the College Trustees involved in a multitude of activities dealing mainly with the development of our new 57½ acre campus. When the final payment was made in October, an energetic program was started including a campus lay-out, the development of building styles and a campaign to raise a million dollars. As the Tower goes to press, considerable progress has been made in all directions with ground breaking ceremonies being scheduled for early summer. It is the fond hope of the Trustees that the facilities on the new campus will be available for occupancy in September, 1961.

Personnel*

As Admissions Secretary, "Don" Miller is responsible for the admissions program of the College, including recruitment, and the establishment of admissions policies in conjunction with a faculty committee. Mr. Miller not only bids the student his first welcome, but he also bids him a final farewell with a grade transcript.

As Coordinator of Student Personnel Services, Mrs. Lois Wetzler works with Mrs. Wilson on student health services, Mrs. Kagen on the guidance program, Mr. Lohman for student placement and part-time jobs, and in association with the Student Senate on social activities. In her "little black book" one can find a complete calendar of college events.

Faculty

The faculty represent a group of educated persons with a variety of background experiences in social work, business administration, foreign travel, and graduate study. In addition to academic activities on campus, the faculty members are active in civic events as speakers and as participants in community educational projects. This year, the Administration and faculty sought a closer relationship with the parents of students by a Sunday afternoon "get together" in October. They also encouraged wider and deeper reading for seminar discussion for Honor Students in "Challenges to Modern Man."

Student Senate

The Student Senate is the student governing body of the junior college. Under its jurisdiction are all the student activities. The Student Senate is responsible for distributing the activities' fees, for giving honorary awards, and for planning college social events. In the spring the governing body goes on a Retreat for the purpose of making tentative plans for the following year and for making changes in the student government constitution. The Orientation dance and the May Ball are two of the Student Senate's primary social functions. In addition, one of the main college events sponsored by the Senate this year was the college carnival held on the new campus in April. The purpose of the carnival was to raise money for the College Development Fund and to establish a new tradition for future generations of York Junior College students.

All the members of the staff hope that you will enjoy our activity by seeing recorded in this book the most memorable tales of this college year.

As a special event in October, Hagerstown and Baltimore Junior College staffs were guests for a journalism workshop at York Junior College. This event was a new and profitable experience for both the TOWER and YORKER members.

Off the wall sides provided music for all the crazy beatniks. Intermission entertainment was provided by several cool cats who fell in from York High with their axes. Some chicks presented a real gone dance. A mazda, Ray Shaffer, won a wild prize for being the iviest beatnik attending. Mrs. Wetzler and her cool cats acted as judges.

Alpha Rho Sigma

Future engineers—are you interested in viewing film strips, listening to talks by engineers employed in York County industries, or visiting local industrial firms? These are some of the academic projects of Alpha Rho Sigma. The engineers actively participate in college activities such as building the Halloween Float, constructing the stage set for Christmas Convocation and decorating the gym for college dances. Several fraternity members “inked” in the layout sheets for the 1960 TOWER.

1959-60 Record

York Junior College, facing one of its toughest rebuilding jobs it ever had, opened its doors to freshman and sophomore basketball candidates October 15. Coach Herb Sauder's job was not an easy one since he had only one varsity member returning from last year's championship ball club, Larry Reindollar. By December 22, Herb had narrowed his choice of the starting five to seven. They included Larry Reindollar, Bob Smith, Dick Lee, Barry Keckler, Bob Dohm, Jimmy Moore and John Dickert. Smith and Reindollar were the only two who were six feet or over, and since the team was made up mostly of freshman lacking height and experience, the Big Green had to rely on desire and hustle.

Reindollar and Smith were elected co-captains and the Flying Dutchmen celebrated their opening with a rousing 83 to 44 win over Hagerstown J.C. Dick Lee potted 22 while Smith, Dohm, and Reindollar all hit in double figures. The next foe was the strong Navy Plebes. The Plebes, with a superior height advantage ran rough-shod over the Green and White. With YJC getting off to a sluggish start, the Marauders from Millersville dished out an impressive 79 to 56 defeat on the Yorkers.

Beginning the league schedule, Altoona provided the first foe for YJC. Playing without co-captain Smith, York lost to its up-state rivals to the tune of 72 to 62. The Lebanon Valley Jayvees gave YJC its fourth loss and a strong Alumni quintet gave YJC its fifth consecutive loss as John Warner pumped in 36 for the winners. After five straight losses the Big Green whipped Hershey J.C. in a league game played on the Yorker's floor. Sauder presented a well balanced offensive with four men in double figures. Against LVC, the Flying Dutchmen lacked good team play and dropped a 67 to 47 decision. In one of their more spirited games of the season, YJC turned back a good Stevens Trade School team on the home court. Dick Lee had 19 for YJC. In a league game against a weak Temple club the Big Green came out with a 75 to 61 win. Co-captain Smith had 20 points for the winners. At Gettysburg the Flying Dutchmen seemed to come apart at the seams late in the game and dropped a 75 to 67 loss to

the little Bullets. Foul conversions with less than a minute to play brought about the downfall of YJC as the boys dropped a very close decision to Stevens Trade. In an exciting league game against Johnstown the Big Green came out with a 60 to 57 win. Smith, Dohm, and Lee led the attack. York's seventh win in a row came over a weak Hagerstown Club. Lee and Keckler had 48 points between them. Returning home to meet a league opponent in Keystone J.C., the Sauder club came out with a 79 to 48 decision. Buoyed by a chance to break even after a poor start, YJC hit the 500 mark with a 72 to 68 victory over the Gettysburg Freshmen, always a favorite opponent of York. Reindollar had 20 for the winners. Also on this night the 1946-47 state championship club of YJC and its coach Frank Bryant were given a "special" night by the alumni of the college.

In the last phases of the season abetted by second semester player Myers, in a shooting spectacular, the Big Green eked out a victory over Hershey J.C. with Smith, Dohm, Lee, and Myers hitting double figures. Temple proved to be win number six in a row for the Sauder club as the Big Green came out with a 89 to 48 win. Against a highly rated F&M Freshmen club the Dutchmen played a great game as they came out on top with a 73 to 66 win. This was the seventh straight win for the locals as they closed out their home season with an 8 and 4 record. Against Keystone, the Dutchmen lost 58 to 55. In a closing season game played at Lancaster YJC dropped a 75 to 68 decision to the Millersville Jayvees.

The Annual Penna. Junior College State Championship Tournament was held at LaPlume Penna. early in March. In the opening game, York was eliminated by Johnstown, the eventual winner. The following night York beat host Keystone in the consolation game. YJC's Barry Keckler won a berth on the Tournament-All-Star Team. York ended its season with a 12-11 log and had the distinction of winning the division of the Junior College League. Co-captains Reindollar and Smith were selected as members of the eastern division all-star-team.

Bowling

Thirty-five students participated in the first intramural bowling venture tried by York Junior College. Jim Rojahn was the secretary to the League.

The participants were paired into seven teams with five on a team. The "strikes and spares" took place at York Suburban Bowlerama on Wednesdays, at four, from December 2nd to the end of February.

Team Three, captained by Bruce Rost, won by two points over team Two, captained by David Wilson.
